## ➤ ANNUAL REPORT :-

A heart filled with aspirations is all that we knew since the very existence of the school and that's what gave us the ambition of marching forward till excellence is achieved in all our endeavours. This report is comprised of the achievements made during the year gone by and at the same time set the path for greater accomplishments in the years to come.

1. As a regular practice followed every year, this session began with the Orientation Programme for the parents of the students of classes Pre-Primary to XII. The programme made the parents aware of the scheme of education we impart here at our school. Query-resolving session by a child psychologist illuminated the path of positive parenting.
2. Keeping ourselves up with the pace of the modern world, Complete Digitization of the school was undertaken which transformed the entire school chores channel through the Information Technology, bringing in more transparency and enhanced communication with parents and community. Respected Chairmen himself graced the occasion and inaugurated the Digitization System on the pious day of his birthday celebration by launching the SCHOOL APP and school's own WEB PORTAL.
3. Having the school completely digitized has innumerable advantages to the parents, teachers and the school itself.  
Parents can keep a real-time track of the status of their child for Daily Attendance, Fee status, Periodic Results, School Circulars and News, etc. through the SCHOOL APP on Android and Apple mobiles and through the WEB PORTAL.

Parents have a direct access to communicate with the Class-Teacher for regular update of their child and the cases which need my personal attention can be escalated directly to me through the provision of Communicate in our Portal.

Parents and teachers have been brought closer as this software provide a direct upload of the daily homework on the online portal parallel to what's given in the classroom, so that parents too are apprised of the daily homework given in classroom and the same can be enforced at the parents' end too.

4. With the sole purpose of updating teachers' knowledge, the school hosted a series of Teachers' Workshops. It was an attempt which inclusively engulfed various significant aspects like Moral Values, Life Skills by CBSE, Meditation & Stress Management, Neurotherapy, English Language and Mathematics. Apart from this, our teachers are made a part of the training sessions and workshops happening at other schools. Our teachers attended various workshops like CHINTAN workshop, workshop on NURTURING EARLY CHILDHOOD and COMPETENCY BASED EDUCATION, workshops on various ACADEMIC SUBJECTS. Attendee teachers further share the knowledge with other fellow teachers widening the sphere of wisdom.
5. To take part is what counts in competition and lessons of victory and defeat are what we get in return. This environment was sufficiently created through inter-school, inter-house and inter-class competitions such as debates Competition, Quiz, Rangoli, Declamation, Creative-Writing, Spelling-Bee, Rhyme and Rhythm, Drawing.
6. It's no endeavour, the School has done fairly well in the Board Examinations. Excellent HBSE Class XII 100% passout result in the year 2019 and 2020, as always, filled us with pride. In the Senior Secondary Examinations where our 15 students struck merit, 9 students secured 75% o marks, out of a total 28 students.

Result of Class X also made us proud when 6 of our students secured merit with the percentage of above 90. where as 7 students secured around 75% of marks out of 23 students.

The school congratulate students, parents and teachers for this success.

7. Our students took part in various inter-school and zonal level Competitions and brought laudable laurels to the school. School remained National Champion of Bharat Ko Jano competition held by Bharat Vikas Parishad Consistently from 2003 to 2007. While the school remained State Champion in this Quiz from 2002 to 2014.
